Guide for Citing Government Information Sources in a Bibliography (MLA Style)

Report of a U.S. Presidential Commission

U.S. Supreme Court Decision

U.S. Congressional Hearing

Federal Register

Code of Federal Regulations

United States Code

Statistical Table

Paper Within a Published Conference Proceedings

File from a Compact Disc (Cd-rom)

Guide for Citing Government Information Sources
in Footnotes and Endnotes

Note: For term papers and other written work your instructor may require you to use traditional footnotes or endnotes (samples of which appear below) or another style, known as "parenthetical documentation." See Chapter 5 of the MLA Handbook for further information.
